We add your Bed & Breakfast accommodation with above information and a photograph to our Holiday in Scotland CD catalogue. This CD catalogue is distributed without any fee and be advertised in magazines, travel guides and in internet search engines.

Our customers prebook directly at Britain Travel and pay there in advance. Britain Travel pays the rent (in £) to the Bed&Breakfast 14 days in advance.

A booking may be cancelled without financial compensation up to 14 days before the beginning of the customers stay. Cancellations between 13 and 7 days prior to the stay will be paid 60% and after that period 80% of the accommodation price by Britain Travel. If Britain Travel has paid the full amount already, money has to be refunded to Britain Travel in accordance with the cancellation scheme.

If we get an enquiry for Bed&Breakfast, we will get in touch with you to check if you have any vacancy. If there is space available at that time, you will get a completed booking form from us with the customer's name, address, the dates, room booked and price. You have to confirm this booking.

Working with us is absolute free to you. We do not ask you for any money to set up a catalogue entry. We do not request exclusivity. But we ask you not to work with other German agencies directly. All accommodations are also shown in our Internet site <http://www.scotland.de> at no costs for the owner.

We do not deduct any commission from your price, but we expect a price lower than the one that is published in other catalogues, brochures and on your Internet page. We have to add our part on top of your price and put this price into our catalogue. It is the same percentage for all houses and same chance for all houses.

Please describe how to find your house: _____

Please send all information back in 2 weeks time including pictures of your B&B accommodation (exterior and interior).

Paper photographs in colour at least 3 inches by 4 inches, transparencies (slides) or digital photographs with at least 900 pixels by 1600 pixels Format: TIF, JPG, EPS. Email transmission max 250 MB per day, CD or DVD.
